

DEGY WORLD

PREPARE TO ENTER A NEW WORLD

EVENT REGISTRATION AND ACCOUNT CREATION GUIDE

Degy World is a robust application and will take approximately 15min. to download and install. You will receive an invitation e-mail from dwsupport@deggyworld.com with the account creation and application download instructions prior to your entrance into Degy World. Please give yourself enough time to create your account, download, and install.

Step 1: You will receive an e-mail from dwsupport@deggyworld.com containing information about Degy World with reminders about necessary items to be successful using Degy World. **Please check your inbox and spam/junk/sorted folders or search all folders for dwsupport@deggyworld.com if you don't see the message in your inbox.** Gmail users should check their promotions folder. Read through and scroll to the bottom of the e-mail and click the green button that says 'Click here to Continue' This will open a new webpage as a tab in your web browser.

Click Here to Continue

Step 2: Read through and scroll down in the webpage. Look for the red outlined portion of the email. Create your password according to the prompt. Then, click the 'Submit' button.

ACCOUNT CREATION AND APPLICATION DOWNLOAD (THIS IS THE IMPORTANT PART)

If you already have the Degy World software downloaded on your computer, you do NOT need to download it again. Please open the application on your computer and login using the Degy World credentials you create below.
